FULL-TIME OPPORTUNITIES IN HARRISBURG OFFICE

Alexander Building Construction Co. was founded in 1928 and has been continuously operating in Central Pennsylvania for the past 90 years. In 2003, Alexander joined the Butz Family of Companies, and is now a member of one of the largest, most reputable construction management firms headquartered in Pennsylvania.

Estimators develop preliminary project budgets and prepare detailed cost estimates. They monitor drawings and specifications during design development to ensure conformity as well as develop value engineering suggestions for consideration. Estimators manage the bidding and awarding of all architectural, structural and civil related trade subcontracts.

Qualifications include 10 years of experience in estimating and a four-year degree. Alexander offers a comprehensive benefits package that includes medical and dental insurance, 401k plan, vacation days and paid holidays.
