

Electrical Designer (Entry Level)

Founded in 1975, BR+A Consulting Engineers maintains a total staff of 400 employees located at our main office in Boston and branch offices in New York City, NY; Philadelphia, PA; Vienna, VA (Washington, DC); Coral Gables, FL (Miami); Chicago, IL; St. Louis, MO; Tampa, FL; Charlotte, NC and Charleston, SC. BR+A provides state-of-the-art integrated and coordinated mechanical, electrical, plumbing and fire protection consulting engineering, technology systems design, lighting design, and building commissioning services.

BR+A is seeking applicants for an entry-level Electrical Designer in our Vienna, VA office. The candidate would be strongly motivated, well organized, and show professional initiative. The applicant should be able to take ownership of assignments and perform well both independently and as part of the project team.

Desired skills:

- 1-3 year experience;
- Proficient in AutoCAD MEP and Revit;
- Prepare one-line diagrams with input from Engineers;
- Prepare floor plans showing electrical device layouts, circuitry, fixtures, equipment, etc. with input from Engineers;
- Excellent organizational and communication skills;
- BSEE required;
- EIT (Engineer in Training) preferred.

We offer excellent compensation and a competitive benefits package, including Medical/Dental coverage and 401K, to all of our full-time employees.

BR+A is an Equal Opportunity Employer. All qualified individuals are encouraged to apply, regardless of race, gender, religion, age, national origin, disability, veteran status or sexual orientation. The candidate must pass a drug test.

Qualified candidates should forward their resume and cover letter to resume@brplusa.com
