JOB POSTING – FACADES INTERNSHIP

Hatfield Group designs complex facades in the US and abroad, we are based in New York City. We are in search of a Facades Intern. In this role, you would perform many tasks related to the building envelope including providing façade details of curtain walls, window walls and punched window systems. The candidate must be working towards a degree in engineering, architecture or related field and able to work in a fast paced, collaborative team environment. Revit, Rhino, or Autocad experience is required.

Internships are available part and full time starting from May 2022 through August 2022. Work will be done remotely via Zoom or Teams.

If interested, please contact: Info@HatfieldGrp.com for additional details.
