

Whitney, Bailey, Cox & Magnani, LLC is excited to announce we are actively searching for a **Structural CAD Technician** to join our award-winning team.

A little about us:

WBCM is a full service, multidisciplinary engineering, and construction firm with offices throughout the Mid-Atlantic region. Our over 220 employees provide us with exceptional capabilities and reach; our industry experts include professionally licensed engineers, architects, landscape architects, surveyors, and LEED specialists - all of whom remain laser-focused on our client's needs. Our focus on the client is further enhanced by incorporating diversity, innovation, value, and excellence into everything we touch.

This position is full time, regular, exempt level, and works (in-person) in our Towson corporate office. Work hours are 7:30 AM – 4:30 PM, Monday through Friday. Additional hours may be required to accomplish the organizational and departmental mission.

This position supports the department needs and WBCM Mission by:

- Developing plans, sections and details in AutoCAD and MicroStation from conceptual sketches and markups prepared and directed by the engineer or Project Manager.
- Working with the project team to ensure drawings are accurate and completed to meet client specifications and standards.
- Interfacing and coordinating work with other disciplines within the company, such as Architects, Mechanical Engineers, Contractors, etc.
- Detailing of marine and industrial structures including piers, bulkheads, wharves, pipe supports, equipment platforms, and foundations.

The qualifications/skills you will bring to WBCM:

- Minimum of 2 years' experience in structural drafting.
- Must be proficient with Microsoft Office, strong attention to detail, and ability to communicate effectively both verbal and written.
- AutoCAD, MicroStation, REVIT, Civil 3D, Plant 3D, Structural analysis programs such as SAP2000, STAAD.PRO, PCA Programs, LPile, and construction knowledge is preferred.
- High School, College, or Technical School.
- Valid driver's license.

Our reward to you:

- An opportunity to work on world-changing projects alongside the brightest minds in the industry
- An exceptional overall compensation package including a competitive salary, a low-cost medical, dental, vision and prescription plan, flexible spending and health savings accounts, a generous 401k match, company paid life insurance, identity theft protection, employee assistance program, and membership in professional organizations
- Generous Paid Time Off and Holidays
- Tuition reimbursement and support for your professional development needs
- A newly renovated, modern, and spacious office environment (you will love the amenities!)
- All the latest technology to make your life easier... right at your fingertips
- A convenient office location in the heart of Towson... paired with free, on-site garage parking
- Value added services (onsite delicatessen, car services, fitness center, dry cleaning, and proximity to downtown Towson featuring shopping, dining, and other amenities)

As a condition of employment, newly hired employees must abide by all Federal, State, and Local requirements regarding protection from COVID-19 spread; such requirements may include, but are not limited to, vaccination, periodic testing, and/or masking.

This opportunity may be accessed via our webpage at www.wbcm.com dropdown menu "Join Our Team" click on "Careers"
