

Virtual Undergraduate **OPEN HOUSE**

Widely acknowledged as one of the top architectural engineering programs in the world, the Penn State Department of Architectural Engineering (AE) is dedicated to providing outstanding academic excellence to its students. The AE program is focused on preparing students and conducting research in the design, engineering, and construction of buildings and building systems through focused study in the four option areas of construction, structural, lighting/electrical, and mechanical engineering.

Open House Dates:

- Feb. 27, 11:00 a.m.
- March 27, 11:00 a.m.
- April 24, 11:00 a.m.
